

KISS KREATIONS PERMANENT MAKEUP SALON BROW LAMINATION CONSENT FORM

Client name:......DOB.......

Email address :Phone #		
Technician name:		
 Eyebrow correction is and eyebrow hair removal process using soy based surgical wax. There will be some tweezing as well. A topical antiseptic anti-bacterial cream will be applies to avoid any bacterial infection in occurence. Tinting is a brow hair dye applied to the hair and skin and contains formaldehyde in the developer. Brow Lamination is a process of reconstructing the brow hairs to keep them in a desired shape, The tint is an optional service. Brow Lamination lasts approximately 6-8 weeks; this will differ based on the type of hair and skin type. 		
POSSIBLE RISKS, HAZARDS OR COMPLICATIONS		
During the treatment, despite all the precautionary measures made by the technician, injury is possible. I will not hold the technician performing this service on me responsible in any issues that arise as a result of having the Brow Lamination procedure performed on me.		
Despite the application of the most advanced and top ingredients, an allergic reaction is possible.		
It is my responsibility to advise the technician of any concerns I may have before the Brow Lamination procedure. Even though I may have written it down on this form.		
The minimum or maximum duration of the Brow Lamination cannot be determined with certainty.		
The technician performing the Brow Lamination will not be held liable for and damages caused to me or my eyebrows by any reason, including allergic reaction, to previous procedures such as previous henna/tint on the brow hair, skin sensitivity and failure to follow aftercare guide.		
I have read and understand very well.		
Signature Date
